## **Final Report now available: IIU concludes investigation into WPS officer-involved shooting**

On April 16, 2020, the Independent Investigation Unit (IIU) had issued a media release advising that it had concluded its investigation into an officer-involved shooting involving the Winnipeg Police Service, which occurred in 2019 in Winnipeg.

The final report of the IIU was not released as the affected person had charges pending before the Courts as a result of the incident. Those charges have now been disposed and the IIU final report is now available on the IIU's website. The details of this investigation were first announced on March 4, 2019.
